

AWESOME ORANGE 1002

Awesome Orange 1002 is an organic emulsion especially formulated to clean the heaviest oil, grease, wax and plastics (styrofoam, urethane) from hard surfaces while leaving a fresh citrus scent. It also is used as a deodorizing and declogging agent for drains and grease traps.

PHYSICAL PROPERTIES

Appearance: Clear Straw colored liquid with citrus scent
pH: 4.50 - 6.50
Weight: 7.60 lbs/gal.
Specific gravity: 0.912

APPLICATION

To clean and degrease surfaces, dilute four ounces of **Awesome Orange 1002** into one gallon of warm water. Apply generously to the surface. Let stand for five minutes and rinse thoroughly. For deodorizing, dilute two ounces of **Awesome Orange 1002** into one gallon of cold water and spray to odor source. **Awesome Orange 1002** will leave a fresh citrus scent.

To declog drains, pour eight ounces of **Awesome Orange 1002** directly into drain. Let stand for one hour or more. Flush with hot water. For disposals, use the same procedure.

CAUTIONS

Combustible, keep away from heat and open flame. Keep out of the reach of children. Do not take internally. May cause eye irritation.

FIRST AID

In case of contact, immediately flush eyes with plenty of water. If irritation persists, seek medical attention. If swallowed, consult physician immediately.
